ONGOING CLAIMS & DISTRIBUTION ACTIVITIES

The following is an update concerning the activities of the Receiver and his professionals with regard to claims processing and distribution matters:

- 30,539 claims were received through both the prior claims process and the Court-approved claims process as of December 18, 2013. Of these claims, 18,106 are SIB CD or other SIB investor claims; 1,973 are non-CD claims; 10,085 are duplicates of claims already submitted; and 375 are late claims that were served upon the Receiver after the Court-approved Bar Date expired. As a result, there are 20,079 non-duplicative, timely claims.
- Reconciliation activities regarding 18,536 of the claims (excluding duplicates and late claims) have been completed.
- 201 of the non-duplicative, timely claims are deficient due to a lack of required information on the claimants' claim forms. Gilardi and, in some necessary instances, Baker Botts have contacted the claimants who submitted those claims — whether through the dissemination of formal Notices of Deficiency or through more informal means of communication — to obtain the missing information. Further reconciliation activities concerning such claims cannot proceed without the required information.
- The remaining 1,342 claims are being manually reconciled by Gilardi and Stanford Staff and, in limited and necessary instances, FTI or Baker Botts.
- The mailing of Notices of Determination regarding CD claims commenced in January 2013 and will continue on a rolling basis until completed. As of December 18th, 14,596 Notices of Determination have been disseminated.
- The Receiver has received 2,002 objections to his Notices of Determination. Of these, 1,821 have been fully resolved (including, *inter alia*, 543 Amended Notices of Determination that have been sent), and only 1 unresolved objection has been filed with the Court.
- The Court's Order approving the Interim Plan requires the Receiver to disseminate certification notices concerning collateral-source recoveries to investor CD claimants. [*See* Doc. 1877 at 8.] The Receiver has thus far sent approximately 14,320 certification notices to those claimants (correlating to approximately 24,820 claims) and has processed approximately 13,260 certification forms received in response (correlating to approximately 18,630 claims).

- The Receiver has thus far filed seven Schedules of Payments to be Made Pursuant to the Interim Plan.⁵ The total amount to be distributed pursuant to those Schedules is approximately \$24.5 million. Additional schedules of payments will be submitted by the Receiver on a rolling basis as further responses to certification notices are received and processed.
- Baker Botts continues to draft and submit monthly reports to the Court regarding the claims and distribution processes and to monitor and oversee those processes and the fees and expenses related thereto.

⁵ [See Docs. 1903, 1903-1 (the "1st Schedule"); Docs. 1912, 1912-1 (the "2nd Schedule"); Docs. 1922, 1922-1 (the "3rd Schedule"); Docs. 1924, 1924-1 (the "4th Schedule"); Docs. 1928, 1928-1 (the "5th Schedule"); Docs. 1932, 1932-1 (the "6th Schedule"); Docs. 1942, 1942-1 (the "7th Schedule").]
